

Summer Institute

Introduction to the 2025 Summer Institute

Tina Jiang – Deputy Director, Academic Partnerships

Our Conversation Today

1. Oriel College & Our Programme

What is a College? What is the Summer Institute?

2. The Learning

What subjects do we offer? What is the structure of our courses? Who teaches the programme?

3. The Wider Experience

What happens outside of the academic programme?

4. Next Steps

When will the programme be held? How much does it cost? When can I apply?

Oriel College

- Constituent College of the University of Oxford – ranked the world's top University for nine consecutive years by the Times Higher Education World University Rankings
- Nearly 700 years old founded in 1326
- Located in the heart of Oxford City nestled amongst restaurants, theatres, museums, and so much more
- The reigning monarch of the United Kingdom, King Charles III, is the official Visitor of the College

The Summer Institute & Our Students

- Launched in 2006 the programme has been running for 18 years
- Over **5000 alumni** from over **100 different countries**
- Pairing world-leading teachers with world-class students
- "These two weeks were the best experience I ever had" Bettina (Italy)

Academic Programme

Our Faculty

- To ensure the quality of our academic programme, the Summer Institute is overseen by an • Advisory Board composed of the College's Fellows (including the Senior Tutor and Senior Dean), who ensure that the programme curriculum, assessment approach, and tutors, meet the highest of academic standards.
- These are just some of the Oxford University academics teaching at our Summer Institute ٠ are:
