Accommodations

We are pleased to inform you that a newly constructed dormitory, also conveniently located near the campus is available for our exchange and visiting students. Rooms will be reserved on a first-come, first-served basis upon payment. Students may also choose to arrange their own accommodations. We will provide a list of possible accommodations that have received positive reviews from past international students for reference.
For detailed information on the official dormitory, please check our website: here.

Student VISA(D-2-6) is necessary before entering Korea

All foreign exchange students need to obtain D-2-6 visa for their studies at Hanyang before entering Korea. D-2-6 visa is a single-entry visa and it will be valid only for 90 days after student's arrival in Korea.
Therefore, students should apply for an "Alien Registration Card (ARC)" to extend their stay to complete the program and to allow themselves to travel to other countries if needed.

- Before student arrives in Korea: Need to apply for D-2-6 VISA
- After student arrives in Korea: Need to apply for an Alien Registration Card with the proper VISA.
  - MUST be registered within 90 days after arrival
  - Until you receive your FRC, you CANNOT leave Korea
  - Leaving Korea during application will result in CANCELLATION of VISA and the student exchange program
  - Study in Korea without FRC is illegal

Enrollment of Graduate Students (Seoul Campus ONLY)

Hanyang University is accepting exchange students only to the Undergraduate program and is not accepting students to the Graduate program. Graduate students are still welcome to join the Undergraduate program if the home university permits and will have same eligibility. (Please note that Hanyang University offers larger number of English courses in undergraduate program).
* This change will not be applied to the universities directly partnered with our Graduate Schools.

Cumulative GPA Confirmation

To consider and respect as much as our partners' diverse grading system and to meet the qualification of the Hanyang University exchange program, we would like to request a confirmation from the student's home university for the cumulative GPA. There will be a part in the nomination system to confirm that the student's cumulative GPA is over 60% based on home university grading system, and it should be confirmed by the home university coordinator in order for the student to be qualified to apply for the Hanyang exchange program.

National Health Insurance

The Korean government is mandating all long-term sojourn foreigners to be registered for the National Health Insurance. Exchange students will be subject to the registration after applying for the Foreign Registration Card. Please note that the individual health insurance will be still required, as the national health insurance will not be valid until the Foreign Registration Card(FRC) is issued, and it may not cover some unexpected matters related to international students, such as hospitalization and etc.

Korean Language Course (Not a regular course in Hanyang)

Korean Language Course will not be included in the student exchange program. Students who wish to take a Korean Language Course should contact the IIE(Institute of International Education) that manages the course and register for the fee-paying Korean course individually.

Intensive Korean Course: (Click)

※ Students should take at least one regular course at HYU other than the Korean Language courses in order to maintain their students visa(D-2).

5. **Academic Information**

English Course

We try to open diverse list of English courses in various departments to exchange students. Exchange students are allowed to take courses from different departments **upon availability.** The most up-to-date course list becomes available a month prior to the beginning of semester. Until then, student should refer to the previous year's course list. (e.g. 2026 Fall semester applicant should refer to 2025 Fall semester course list)

The previous English course list and information may be found from our [course catalogue.](#)

Credits and Study Load

1 HYU credit consists of 15 contact hours. Regular student's study load at Hanyang is 15~18 credits per semester while maximum credits are 20. **Exchange students should take at least one regular course to maintain their D-2 visa**. (Korean Language Course from Hanyang IIE is not a regular course offered by HYU.)

Course Registration

Before coming to Korea, students will have several chances to register courses online. There are different phases for course registration categorized by their major and year and it works on "first-come, first-served" basis. The specific dates will be sent to students directly through email.

Departments with Limited Access to English-Taught Courses

Please note that the COLLEGE OF ART AND PHYSICAL EDUCATION as well as the COLLEGE OF MUSIC, offer very limited English-taught courses. In some semesters, **there may be no English courses available at all**. Additionally, practical or studio-based courses may also be difficult to enroll in due to language barriers. We strongly advise exchange and visiting students to carefully consider this when selecting their majors.

Evaluation and Grade

Although the evaluation method may differ based on professor's policy, attendance is always an essential part of the evaluation process. Hanyang does not have re-sit examinations so the final grade inputted into the system cannot be changed. Students can take only one P/F course in one semester and most courses will be in letter grade. Please refer to the below chart for the grade system at Hanyang.

Letter Grade	Numerical Value	Grade Point
A+	95-100	4.5
A0	90-94	4.0
B+	85-89	3.5
B0	80-84	3.0
C+	75-79	2.5
C0	70-74	2.0
D+	65-69	1.5
